We're not allowed to discuss anything opposition leader Nana Addo, in Ghana on any media.

- 1) We can not mention his name
- 2) We can not talk about him
- 3) We can not criticize him
- 4) We can not scrutinize him
- 5) We can not reject him publicly open
- 6) No one can challenge him
- 7) We must all support him in public
- 8) We must all campaign for him open
- 9) We must all vote for him.

If not, you can be attacked, insulted, sacked, threatened, killed, cursed, dis blocked/unfriend etc.

If we don't stand up to defend democracy defeat dictatorship in Ghana, we'll live May God continue to Bless our home
